# Carol Kent

Carol Kent is a popular international public speaker best known for being dynamic, humorous, encouraging, and biblical. She has frequently spoken at Women of Faith arena events and she will be a featured speaker at many of the Extraordinary Women events in 2008.

Carol has spoken internationally and she regularly appears on a wide variety of nationally syndicated radio and television broadcasts.

She is the president of Speak Up Speaker Services, a Christian speakers' bureau, and the founder and director of Speak Up With Confidence seminars. She has recently founded the nonprofit organization, Speak Up for Hope, which will benefit the families of incarcerated individuals. The goal of the organization is to give hope to the hopeless, encouragement and strength to the weary, healing to marriages that have been torn apart by incarceration, and mental, spiritual, and physical stability to the children of prisoners.

She holds a master's degree in communication arts and a bachelor's degree in speech education. She is the author and co-author of many books out on the market today. She has been featured on the cover of Today's Christian Woman and her articles have been published in a wide variety of magazines.

Bonnie Keen is a founding member of the critically acclaimed recording trio First Call. Over a span of twenty plus years she has been awarded three Dove Awards, five Grammy nominations, and an Emmy nomination for her work as a recording artist, author and speaker.

As a survivor of divorce, single parenthood, and clinical depression, Bonnie's story has graced the covers of "Today's Christian Woman" and "Virtue" magazine. Her first three books allowed her the chance to speak hope to others from her first hand experience of God's mercy to messy situations. Blessed Are the Desperate, God Loves Messy People and A Ladder Out of Depression openly reveal Bonnie's journey from despair to hope. Her ongoing passion remains to say 'do not give up' to hopeless people of faith who may find themselves discouraged when life turns upside down.

As a multidimensional communicator, using interactive video, music and speaking, her testament of God's faithfulness has taken her on various media tours.

As a sought after keynote speaker Bonnie blends music with her message and nothing brings her more joy than allowing her story to bring healing.

Bonnie lives with her 'miracle' Brent (a five time Grammy award winning, horse loving, renaissance husband) on their farm outside of Franklin Tennessee. Her children, Courtney and Graham continue to follow their dreams both in Tennessee and New York. One could say "Bonnie's suitcase is never far from the door."
